

40 Gloucester Street,

Toronto, Ont., Canada.

Dear Sir :

*The accompanying circular will explain to you the object for which I address you.*

*For the benefit of the younger members of my family I have seen fit to resign my position as Secretary to the Church of England Temperance Society, in the Manchester Diocese, and to establish my home in this country.*

*I desire still to continue the work of Temperance—a work in which I have for so many years been engaged—and by means of lectures in Canada and the States, endeavour to do good to the community at large, and at the same time provide myself and family with a living.*

*I trust that I may receive whatever support it is in your power to give me in this matter, and shall be pleased to give a lecture in your school, or any convenient place, upon some date that will be mutually suitable, and on the following page you will find a syllabus of several of my lectures, which I may say have attained a certain amount of popularity in the districts where they have been delivered.*

*I shall be pleased to learn your views at your earliest convenience, and to communicate any further particulars, terms, etc.*

*Believe me, dear sir,*

*Yours very faithfully,*

(Signed) GEORGE WARD.

*That the position of the Church of England in Canada may be improved and that she may be raised to that place which is Hers by every right, it is necessary that the people of this Country should be educated as to Her history and know the truth as to Her work, for calumnies and slander are plentifully hurled at Her and unfortunately little refutation is made,*
